Dear Friend,

We're tying up a few loose ends, so we have rescheduled the zoning committee consideration for the Lincoln Park Hospital re-development **Nov. 15, at 10:00 a.m.** at 121 N. LaSalle Room 2nd Floor, Council Chambers. This will allow me time to make sure that every detail is finalized before approving the new plan. None of these details impact the plan we announced earlier. To see the plans, click [here](#).

### The City Budget Process Begins

Starting this Wednesday, I'll be attending daily hearings at City Council about our city's budget. You can count on me to be a fiscal watchdog, to do my best to scrutinize the Mayor's proposals and to make sure we are being fiscally responsible. The Mayor's budget proposal has been widely publicized and is available [here](#). I'll publish periodic reports about the process - and of course, if you have questions or comments, please email [me](#).

### A Personal Request

I'm proud to say that I get compliments on this newsletter. We work hard to give you the information you need. But I hear that some people are not getting the newsletter. Would you mind [forwarding this to your friends](#)? Then they can decide whether they'd like to subscribe as well.

Thanks so much.

Sincerely,

43rd Ward Alderman Michele Smith
