Safer Cycling

In This Issue

Share the Road Campaign
Air and Water Show

**Do you volunteer?
Does your
organization need
more volunteers?**

One Good Deed Chicago (OGDC) is a City organized campaign to promote volunteerism and civic engagement in Chicago. I support Mayor Emanuel's effort to build nonprofit capacity and focus our volunteer efforts. There are three ways you can help:

1. Apply to be a "Success Coaches Partner" to have additional volunteers placed with your organization to enhance your program efforts.
2. Apply for a trained "VolunTEAM" consultant. This volunteer consultant will guide you in building your organizational capacity to engage and more effectively manage volunteers.
3. Register your organization with www.OneGoodDeedChicago.org for visibility and additional volunteer recruitment.

For more information about OGDC please visit www.OneGoodDeedChicago.org Application materials are due by 5:00p.m on August 22nd.

Share the Road Campaign for Safe Biking

Join me on **Thursday, August 18th from 7:30-9:30 p.m. at the intersection of Halsted and Armitage** for our first ever Bike Light Distribution event. As part of my ongoing efforts to increase bike safety in the ward, I will be distributing bicycle headlights with our local police district and the City of Chicago's Bicycling Ambassadors.

This event comes on the tails of our Bike Safety Festival. With more cyclists on the road than ever, I am showing my commitment to the safety of all road users by promoting compliance with traffic laws through the Share the Road Campaign.

We will be encouraging cyclists and motorists to adhere to traffic laws that help keep everyone safe.

If you would like to get involved in bike safety efforts in the 43rd Ward please contact [us](#).
