## Update on Lincoln Park Hospital

Dear Friend:

Today, the City Council of Chicago deferred a vote on the proposed redevelopment of Lincoln Park Hospital. I am grateful that the Council acted on my request for deferral so that I and the community can work with the developers to find a solution that is acceptable to the community.

What this means is that no action will be taken on the matter before the next City Council Meeting.

I pledged in my campaign to keep working on this project to find a compromise that addresses the real concerns of the neighborhood, one that leverages off the good aspects of this proposal. This is an opportunity for the developers, me, Alderman Daley and the community to work out a solution that the community supports. I will be scheduling a meeting with the developers as soon as possible to begin this process, and will keep you informed and involved.

Sincerely,

**43rd Ward Alderman Elect Michele Smith**
