Dear Friends,

Tomorrow night is the Children's Memorial Hospital redevelopment town hall meeting. This meeting provides the opportunity for you to review and respond to the latest version of the proposed plans. I have directed the developer, as well as representatives from various City departments, to be there there to answer your questions and to take your input. As I wrote in my last [newsletter](#), community input has already influenced the proposed design and the process is ongoing.

**CMH Redevelopment
 Town Hall Meeting
 Thursday, July 26
 6:00 p.m. sharp to 8:00 p.m.
 the DePaul Student Center, Rm 120
 2250 N. Sheffield**

I strongly urge you to attend. If you are unable to attend, however, for the first time in Ward history, we will provide live streaming of the meeting and live on-line chat so that you will be able to send me questions even if you are watching from home. You'll be able to view the meeting both live and for the next week online at <https://new.livestream.com/AldermanSmith43/cmh726>.

For more information, visit our [archive](#) of presentations and videos from the September 2011 and December 2011 community meetings, as well as the [Institutional Planned Development ordinance](#) proposed by McCaffery Interests on July 18, 2012 - the document that initiates the city review process and has many details of the plan - and the [Traffic Study commissioned by Children's Memorial Hospital](#) on August 23, 2011 -a good data-driven baseline as we evaluate the proposal.

I hope to see you all at the meeting tomorrow night.
