Dear Friends,

**Starting September 17th** the 43rd Ward will be moving to a grid garbage collection system. Instead of having garbage collected along ward lines, garbage and recycling will now be collected along a grid. This means that Streets and Sanitation will use fewer crews for less time. I am confident that this new system will be both more efficient and more cost-effective. Click [here](#) for the new grid garbage system FAQ sheet.

### Garbage

Garbage will still be picked up every week, however all 43rd Ward residents will now have their garbage picked up on Tuesdays.

### Recycling

If your household receives **curbside** blue cart recycling services, your recycling will also be picked up on Tuesdays on the weeks you are currently accustomed to. If your household receives **alley** blue cart recycling services, your week of service will remain the same, but your day of service may change. Please leave your blue cart in the alley during the entire collection week to ensure collection. We'll let you know the exact dates as soon as they have been settled.
