Dear Friends,

I have been informed that [Mrs. Green's Natural Market](#), a boutique grocer already established in New York and Connecticut, will be moving into the former Lincoln Park Hospital garage site, at the southeast corner of Lincoln and Webster. Mrs. Green's is [bound](#) to the community agreement that was part of the planned development and will have to abide by the loading zone and other restrictions contained in the PD ordinance. The store is expected to open around Thanksgiving.

The rest of the Webster Square development is proceeding as well. A 75-unit luxury apartment building is under construction now, and the former hospital building will be constructed as condominiums beginning later this year.

43rd Ward Annual Recycling Event

Not sure what to do with that old computer? Need to shred those old receipts and bills? Bring them to the annual 43rd Ward Recycling Drive next Saturday! We will accept old clothes, any electronics, batteries, CFL bulbs and all paper items. Click [here](#) for the whole list.
