Dear Friend,

We've tied up the loose ends, so we have rescheduled the zoning committee meeting for the Lincoln Park Hospital re-development for this **Tuesday, Nov. 1, at 11:00 a.m.** at 121 N. LaSalle Room, 2nd Floor, Room 201A. If the plan is approved in committee, as I expect, I will seek its final passage in the City Council meeting which will occur the next day. The extra time this process has taken has allowed for careful legal review of the concessions which I negotiated with the developer. No changes have been made to the plan we announced earlier this summer. To see the details, click [here](#).

Get Your Potholes In

During the city budget process, I heard an excellent presentation by Gabe Klein, our new Commissioner of the Chicago Department of Transportation. As part of his commitment to delivering city services in a more efficient manner, he has delayed some street resurfacing until next year and pulled ahead work on three items:

- filling alley potholes
- restriping crosswalks and bike lanes, and
- replacing missing signs

Help us out! Take a look at the attached [list](#) and see if the potholes in your alley are already reported. If not, contact [me](#). Make sure to give the most detailed address you can for the location of the pothole. Send a picture if you can. And let us know about missing signs on your street, and cross-walks that need repainting.

Thanks so much. Have a safe and fun Halloween!

Sincerely,

43rd Ward Alderman Michele Smith
