My staff and I delivered 40 turkeys Tuesday afternoon to residents of North Orchard Place, at 1600 N. Orchard. This facility is part of the Consecra Housing Network, a non-profit which develops and manages sustainable affordable housing for those with special housing needs. I was excited to participate in holiday cheer with the residents and am thrilled to have such an important facility providing service in the 43rd Ward.

Special thank you to Carnival Foods, Big Apple Finer Foods and Lincoln Park Market for donating the turkeys.

### Street Cleaning

Street cleaning officially ended November 18th. You can help prevent flooding and freezing by making sure the sewer drain cover near your house is free of debris and by raking and bagging leaves. Rake the leaves from the parkway and put them in bags. You can then put the bags next to your black carts for pickup with your garbage.

Have a safe and gratitude-filled Thanksgiving. I am grateful for the opportunity to be your Alderman.

Sincerely,

43rd Ward Alderman Michele Smith
