## Power Outage Update

Dear Friends,

There is a power outage affecting almost 1,800 ward residents from Fullerton south, mostly along Lincoln Park West. I want to assure all of you that Com Ed is diagnosing the problem right now, and they have assured me that if there is a serious issue, they will bring in generators to temporarily provide power. They have just told me that it will take at least a couple more hours to resolve.

I'll send out another message when I know more. If there is a heat emergency of any kind in your building, please call 911 right away. Email me at [yourvoice@ward43.org](mailto:yourvoice@ward43.org) if you have some info to share.

Hoping you are receiving this on your cell phone,

Michele Smith  
43rd Ward Alderman
