Government Shut Down. Debt Ceiling. Obamacare.
Syria. War. Gun Violence. Immigration Reform.
Poverty. Unemployment. Federal Surveillance.

With so much happening in our communities, in our country, and all over the world, it's often overwhelming to be an informed and engaged community of faith. On November 6th we will have a conversation with our representative, Congressman Mike Quigley (Illinois 5th Congressional District), about a host of issues that are important to all of us. **This event is FREE and OPEN TO THE PUBLIC**, and light refreshments will be served.
